

# SC ENGINEERING, LLC

CONSULTING ENGINEERS

## CAPABILITY STATEMENT

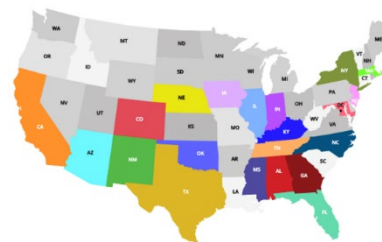

**SC ENGINEERING, LLC** specializes in **Electrical, Mechanical, Plumbing, Fire Protection, and Structural Design**. We have multiple years of experience working closely with clients in small- and large-scale design projects in the commercial, industrial, educational, healthcare, and hospitality industries. We strive to provide the most cost effective, efficient and client-centered design while considering every design schedule and client-budget.

## DESIGN PHILOSOPHY

Being a service-oriented firm, our engineers go above and beyond to meet client expectations, schedules, and needs. We are committed to client satisfaction and strive to continually improve and update our procedures and systems to stay current with the latest technology. Our core values of honesty, dedication and hard work are the pillars of a strong and successful relationship with our clients.
